

Please see “Directions for Action Resolutions” in the Convention Workbook or on the LWVO website (<http://www.lwvohio.org/>) in the Final Call to Convention for complete instructions.

Resolutions will be selected for presentation that advance League program; focus on a current issue, current legislation or a timely and significant issue; and meet the criteria for submission. Submitters must be present when the resolution is presented.

League proposing the resolution: **Jason Gartland, Board member, LWV Kent**

Specific League Position(s) the resolution supports:

National Position – Individual Liberties

Background Information that clearly explains why it is important for League to approve the resolution now.

The FCC is preparing to remove internet service providers from Title 2 agencies to Title 1 which would end net neutrality.

Body of Resolution: The correct form and punctuation should be used for resolutions. Please refer to the “Directions for Action Resolutions” for instructions and an example

Therefore, be it resolved that the LWVO meeting in Cuyahoga Falls, Ohio in convention on May 6, 2017 supports advocacy in Ohio Leagues to support internet service providers remaining under Title 2 designation by the Federal Communications Commission.
